# WORKSHOPS

## details & locations

**CHRISTIAN  
ENDEAVOR**

# CE Advocate Workshop Track

While most workshop options at the CE World Convention are a la carte, the CE Advocate workshops are a series of five progressive workshops that run throughout the Convention.

CE leaders and interested CE members are encouraged to attend all five Advocate workshops.

These workshops, lead by Rev. Dr. Mark Andr son, Director of the Institute for Youth Studies (IYS), will explore how to **STRENGTHEN**, **SCALE** and **SUSTAIN** the CE movement.

**INSTITUTE for  
YOUTH STUDIES**

**50 FREE printed copies of the brand new CE Advocate's Guidebook are available at the World Convention!**

**Those who attend all five Advocate workshop sessions will receive a certification of completion!**

# **THURSDAY MORNING (11:00 - 12:00)**

## **CE Advocate (part 1) - Strengthen by Aligning**

Mark Andréson

Explore how to **STRENGTHEN, SCALE** and **SUSTAIN** the CE movement through these five workshops

## **Foundations of the Bible - The Story**

Kali Sensenig

This workshop takes a foundational look at what the Bible is, and why God gifted us with it.

## **Leadership in 4D**

Klaus Göttler

This workshop examines crucial aspects of effective leadership through the lens of the four dimensions of CE.

## **Gaming for God's Glory**

Ruben Ullrich

This workshop is a creative take on how video gaming and multi-player games connect to faith development and depth.

## **Planning a Youth Camp from the Bottom Up**

Daniel Hoffmann

This practical workshop lays out the important principles involved in planning and leading a successful youth camp experience from beginning to end.

## **Football and Sports for God's Glory**

Zach Coryell

This workshop will present practical and exciting ideas about how sports connects with faith. Tangible ideas will be shared for how we can 'make the planet shake' through sports and competition!

# THURSDAY AFTERNOON (14:30 - 15:30)

## **CE Advocate (part 2) - Strengthen by Aligning**

Mark Andréson

Explore how to STRENGTHEN, SCALE and SUSTAIN the CE movement through these five workshops

## **Foundations of the Bible - Connection & Study**

Kali Sensenig

This workshop takes a foundational look at our relationship with the Bible and how we study it, both individually, but alongside our fellow believers.

## **Gaming for God's Glory (part 2)**

Ruben Ullrich

This workshop continues to explore the connections between gaming, faith and living for God's glory.

## **Bible Study**

Daniel Hoffmann

This practical study evaluates aspects of the Bible, helping to connect the lesson with being empowered to make the planet shake.

## **Climate Panel**

Desmon Haumea, Thomas Kröck

This workshop will provide both a Pacific and European perspective on climate change and how Christians should understand and respond to various climate issues.

# FRIDAY MORNING (11:00 - 12:00)

## **CE Advocate (part 3) - Scale by Advancing**

Mark Andréson)

Explore how to **STRENGTHEN, SCALE** and **SUSTAIN** the CE movement through these five workshops

## **Foundations of the Bible - The Old Testament**

Kali Sensenig

This workshop takes a foundational look at the Old Testament, its purpose, and the overarching story of Grace the scriptures point to.

## **Daily Time Out with God**

Anna Förter

This workshop explores what it means to spend daily time connecting with God in fresh, meaningful and deeply practical ways.

## **Experiential Education**

Harry Wedekind

This workshop takes a fun and dynamic look at how experiential learning impacts and amplifies education. Practical tools and ideas which can be applied to a variety of situations will be shared.

## **Youthwork in Social Hotspots**

Joshua

This fascinating workshop explores the challenges, benefits and impact of ministering to the next generation in difficult locations. Practical insights will be offered on how to do effective youth work through cultural and social challenges.

## **Youth Empowerment**

Sangita

This workshop is a powerful exploration of what it means to deeply empower the next generation for God's glory. Practical tools and ideas will be explored.

# FRIDAY AFTERNOON (14:30 - 15:30)

## **CE Advocate (part 4) - Scale by Advancing**

Mark Andréson

Explore how to **STRENGTHEN, SCALE** and **SUSTAIN** the CE movement through these five workshops

## **Foundations of the Bible - The Gospels & Grace**

Kali Sensenig

This workshop presents a walkthrough of the life, death, and resurrection of Jesus Christ. Examine what the Gospel means for us, and how we pass along God's message to the rest of the world.

## **Empower Through Music**

Phurba Tamang

This creative workshop will focus on what it means to utilize God-given musical potential, talent and interest for God's glory and to build God's Kingdom. Different aspect of music will be explored, connecting with what it means to be Biblically empowered.

## **Photography and Media Ministry for God's Glory**

BaymanChe Media Ministry

This workshop is led by the BaymanChe Media Ministry from CE-Lebanon. They will present a fun and practical look at ways to utilize photography, video and other creative media for God's honor and glory.

## **Youthwork in Social Hotspots**

Joshua

This fascinating workshop explores the challenges, benefits and impact of ministering to the next generation in difficult locations. Practical insights will be offered on how to do effective youth work through cultural and social challenges.

## **Youth Empowerment**

Sangita

This workshop is a powerful exploration of what it means to deeply empower the next generation for God's glory. Practical tools and ideas will be explored.

# **SATURDAY MORNING (11:00 - 12:00)**

## **CE Advocate (part 5) - Sustain by Amplifying**

Mark Andréson

Explore how to **STRENGTHEN, SCALE** and **SUSTAIN** the CE movement through these five workshops

## **Foundations of the Bible - The Message**

Kali Sensenig

This final Foundations workshop is a collaborative session on how we meet the World around us while embracing the Truth of the Bible. It looks at who the Bible calls us to be, and what it means to come together as the Church. How do we take what we know about the Bible and communicate it to others?

## **Faith-Based Scout Work**

Christian Petersen

This workshop explores the impact of faith-based scout work as experienced in CE-Germany with practical tools and insights for how Scout Work can lead to deep and robust faith.

## **Taking Social Action**

Nelli Heinrich

This workshop examines principles and ideas for how Christians can biblically and effectively be involved in social action. Practical steps for engaging in social action for God's glory will be explored.

## **Climate Panel**

Desmon Haumea, Thomas Kröck

This workshop will provide both a Pacific and European perspective on climate change and how Christians should understand and respond to various climate issues.

# SATURDAY AFTERNOON

In place of workshop options on Saturday afternoon, there will be a special Climate Activity led by Dr. Thomas Kröck and Björn Steinhilber. This will be a practical, hands-on project completed on the grounds of Flensunger Hof. We're excited to work together to learn more about the environment, and to lend our hands, energy and effort in practical ways to make the planet shake for God's glory!
